GlobalCare Inc expands relationship with NCN® adding, Data iSight

September 1 2009, Alpharetta, Ga - GlobalCare is pleased to announce Data iSight, the latest innovation from NCN®, as another cost-based solution.

Data iSight aims to change history by arming payers with a completely new - and smarter way - to do business. For the first time, every healthcare patient, payer and provider can see the actual cost of care and the fair reimbursement for medical services. Data iSight uses a cost of care approach to save payers an average of 54% from billed charges.

GlobalCare is excited to provide Data iSight to our payer clients. Robert Marcoux, Vice President of Sales and Marketing for GlobalCare states, "our clients are seeking effective ways to manage the rising costs of healthcare and NCN's technology provides a viable alternative actively control".

NCN® was founded in 1994 by Tom Galas and Karen Lurkowski. The company develops and deploys technology and software solutions to create powerful, data-driven tools to win fair reimbursement for those who pay for the delivery of healthcare. Their innovative services have helped control costs on more than \$2 billion in healthcare charges each year. For additional information regarding NCN® and Date iSight, please call (800) 499-9708 or visit their Web site at www.ncnelink.com
