### **GlobalCare Inc announces additional PPO network access with Sagamore® Health Network, Inc.**

**March 1 2010, Alpharetta, Ga** - GlobalCare is pleased to announce the ability for its payer clients and their covered individuals to access the Sagamore Health Network, operated by CIGNA, as an integral component of GlobalCare's PPO network optimization and work flow process management services.

Sagamore is proud to be the largest leased health care provider network in Indiana, with more than 45,000 doctors and specialist, and over 200 hospitals located in rural and metropolitan communities across the state. Sagamore works closely with local providers to provide their customers with a comprehensive and competitive network. In total, Sagamore contracts with more than 42,000 doctor locations in Indiana and surrounding states, including Illinois, Michigan, Ohio and Kentucky.

"GlobalCare is very excited to partner with a company such as Sagamore Health Network. This will give us the opportunity to add quality providers and facilities with a reputation for service excellence", states Carol Lockwood Vice President of Operations.

CIGNA (NYSE:CI), a global health service company, is dedicated to helping people improve their health, well being and sense of security. CIGNA Corporation's operating subsidiaries provide an integrated suite of medical, dental, behavioral health, pharmacy and vision care benefits, as well as group life, accident and disability insurance, to approximately 46 million people throughout the United States and around the world.in the individual market. For additional information regarding Sagamore Health Network, please call (800) 364-3469 or visit their Web site at [www.sagamorehn.com](http://www.sagamorehn.com)

GlobalCare Inc is a Georgia based corporation providing network management and cost containment services for over 15 years, with its headquarters in Alpharetta, GA. Our core business is to maximize the savings on every medical claim by steering members into the most appropriate level of care at the time of any medical event. GlobalCare delivers network optimization and work flow management to return the greatest discounts with the lowest transaction costs. Through the deployment of proactive, interventionist measures medical costs are controlled at the outset. Payers attain greater efficiency both operationally and financially through utilization of GlobalCare's proprietary technology.
