GlobalCare Inc announces Gregory S. Mercer as new Regional Sales Manager

May 25 2010, Alpharetta, Ga - GlobalCare is pleased to announce the addition of a new Regional Sales Manager, Gregory S. Mercer, to our team.

Mr. Mercer joins GlobalCare with extensive experience in the healthcare industry, with a focus on business development, including more than 15 years working for Kaiser Foundation Health Plan. Mercer holds a Bachelor of Arts degree in Economics from Allegheny College in Meadville, PA.

Greg Mercer's main role at GlobalCare will be to develop new client and channel opportunities that extend the companies distribution in key areas. Greg's significant experience in the health care industry, particularly in the health plan and large employer space, will support GlobalCare's efforts to further penetrate those markets. Mercer will be based in the Southeast, however, he will support sales and service of clients on a national basis.

Robert Marcoux, GlobalCare's Vice President of Marketing and Sales, states, "We are very excited by Greg's addition to our team. His knowledge, expertise and understanding of the healthcare industry will favorably contribute to our growth strategies".

This new role will report to the VP of Marketing and Sales.

GlobalCare is a Georgia based corporation providing network management, cost containment and workflow management services to healthcare Payors for over 15 years. Our core business is to maximize the savings on every medical claim by steering members into the most appropriate level of care at the time of any medical event. GlobalCare delivers network optimization and work flow management to return the greatest discounts with the lowest transaction costs. Through the deployment of proactive, interventionist measures medical costs are controlled at the outset. Payors attain greater efficiency both operationally and financially through utilization of GlobalCare's proprietary technology. To learn more, please visit www.globalcare.net.
