GlobalCare, Inc. celebrates 15 YEARS of serving the healthcare industry.

Atlanta, September 1, 2009 – GlobalCare Inc. celebrates its 15th anniversary of service to the healthcare industry.

From its beginning in 1994 as a provider of international medical assistance services to large U.S. and multinational corporations GlobalCare has focused on access to appropriate medical care, at the appropriate time, in the appropriate setting. This focus has remained unchanged as the company has evolved and expanded into a significant provider of medical cost containment services to healthcare payers nationwide.

Simply put, GlobalCare delivers the greatest savings available to the payers of medical care, as easily as possible.

Bruce Bigsby, President and CEO comments, "Our customers are dedicated to excellence and have a passion for constant improvement. Over the last 15 years, their dedication and passion has been infectious. GlobalCare is celebrating our 15th anniversary because of our customers' tolerance of GlobalCare's foibles; and our employees' ceaseless efforts to exceed their expectations."

GlobalCare Inc is a Georgia based corporation providing network management and cost containment services for over 14 years with its headquarters in Alpharetta, GA. Our core business is to maximize the savings on every medical claim by steering members into the most appropriate level of care at the time of any medical event. GlobalCare delivers network optimization and work flow management to return the greatest discounts with the lowest transaction costs. Through the deployment of proactive, interventionist measures medical costs are controlled at the outset. Payers attain greater efficiency both operationally and financially through utilization of GlobalCare's proprietary technology.

GlobalCare --- Simply More.
