GlobalCare, Inc. announces promotion of Bryan Horner to Manager of Account Management

Atlanta, June 30, 2009 – GlobalCare is pleased to announce that Bryan Horner has accepted a new role as Manager of Account Management effective immediately.

"To meet the unique needs of each of our customers is a critical initiative which differentiates GlobalCare in the market", states Bob Marcoux, Vice President of Marketing & Sales. "The Manager of Account Management, is a new dedicated role whose main focus is to enhance the client's experience and value with GlobalCare by developing the account management team's individual's skills, experiences and knowledge while improving company processes and expanding our capabilities."

As stated by Mr. Marcoux, "Bryan possesses a rare set of client management qualities along with a solid reputation in routinely exceeding our client's expectations, and his promotion to this position strategically aligns with our growth initiatives and promises greater success for our clients and company"

The role will report to the Vice President of Marketing and Sales, and all Account Managers will directly report to this new position.

GlobalCare Inc is a Georgia based corporation providing network management and cost containment services for over 14 years with its headquarters in Alpharetta, GA. Our core business is to maximize the savings on every medical claim by steering members into the most appropriate level of care at the time of any medical event. GlobalCare delivers network optimization and work flow management to return the greatest discounts with the lowest transaction costs. For every member, a best-in-class Primary and Secondary medical network solution is configured to offer the broadest access with the deepest discounts. Through the deployment of proactive, interventionist measures medical costs are controlled at the outset. Payers attain greater efficiency both operationally and financially through utilization of GlobalCare's proprietary technology. Managing the integration of preferred processes and systems is a core competency which creates added-value to our clients by providing access to over 200 trading partners through one connection.

GlobalCare --- Simply More.
