GlobalCare, Inc. to participate in HCAA Trade Show in Anaheim, CA

Atlanta, July 1, 2009 – GlobalCare is pleased to announce that it will be exhibiting at the annual Health Care Administrators Association (HCAA) Trade Show in Anaheim, CA scheduled between July 15th and July 17th.

As an annual event, the TPA University offers valuable insight and information to Third Party Administrators on industry-related issues, key trends in the marketplace along with networking opportunities to all attendees. Founded in 1980, the HCAA has nationwide membership which includes TPAs, insurance carriers, managing general underwriters, audit firms, physician hospital organizations, broker/agents, human resource managers and health care consultants.

"HCAA's TPA University provides an excellent forum for GlobalCare to introduce our solutions and share client's experiences to more effectively manage healthcare costs," states Bob Marcoux, Vice President of Marketing and Sales. And he adds, "HCAA has a well-known reputation of pro-actively and creatively solving key issues, and we welcome the opportunity to contribute to these causes with our programs aimed at this membership"

Please look for GlobalCare at the Exhibitor Hall within Disney's Grand Californian Hotel.

GlobalCare Inc is a Georgia based corporation providing network management and cost containment services for over 14 years with its headquarters in Alpharetta, GA. Our core business is to maximize the savings on every medical claim by steering members into the most appropriate level of care at the time of any medical event. GlobalCare delivers network optimization and work flow management to return the greatest discounts with the lowest transaction costs. For every member, a best-in-class Primary and Secondary medical network solution is configured to offer the broadest access with the deepest discounts. Through the deployment of proactive, interventionist measures medical costs are controlled at the outset. Payers attain greater efficiency both operationally and financially through utilization of GlobalCare's proprietary technology. Managing the integration of preferred processes and systems is a core competency which creates added-value to our clients by providing access to over 200 trading partners through one connection.
